

## Scholarship Program Information & Application

The Northwest Compensation and Rewards Forum (NCRF) offers the Scholarship Program to support the educational efforts of its members by providing financial assistance for locally held *WorldatWork* certification courses.

Each year, the NCRF Scholarship Program will award scholarships to individuals who are pursuing at least one *WorldatWork* certification designation. The amount of the scholarship is the lesser of **\$1,495.00** or the cost of one NCRF sponsored *WorldatWork* course at the time of registration. Scholarship recipients will have two (2) years from the grant of the scholarship award in which to utilize these funds.

Scholarship applications may be obtained at the NCRF website [here](#):

The following are program parameters that may be modified as necessary by the NCRF Board of Directors.

- The NCRF Board of Directors will determine the amount of the scholarship fund on an annual basis as part of the budgeting process. Funds may be held over, in the scholarship fund, from year to year if they have not been awarded. Additionally, the Board of Directors will also determine the number of scholarships to be awarded for each year. The Board of Directors has the discretion to increase or decrease the number of awards based on the prior year's financial performance.
- The Scholarship Committee will consist of at least three NCRF board members (one of whom will be designated as the Committee Chair) who will review applications and make a recommendation to the Board of Directors. The Committee Chair will respond to inquiries regarding the scholarship program, collect applications, and prepare information to be reviewed by the Committee and submitted to the Board of Directors.
- Applications will be reviewed for timeliness, completeness, and content. Special attention will be given to applicants whose employer provides no or limited funds to support continuing education.
- Approved funds will be dispersed in the form of a check made out to *WorldatWork*.
- Only NCRF members are eligible for this scholarship; a current year membership is required, and the recipient must be an active member when the scholarship is redeemed.
- Scholarship Committee members are ineligible to apply for scholarships during their tenure on the Committee.
